

PART SIX

DEVELOPMENT CO-OPERATION ACTIVITIES

F-1 Development Co-operation Activities

The photographs in the following pages present a number of characteristic activities of

- emergency humanitarian assistance,
- reconstruction & development,
- development education and public awareness raising programs – projects,

that were implemented in developing countries and in countries with economies in transition during the year 2006, by Ministries, Legal Bodies, NGOs, Universities, etc. and financed by the Greek State budget of development assistance.

Some photographs have been provided courtesy of the respective implementing Agencies, while others come from the archives of HELLENIC AID.
